

**State Water Resources Control Board
Groundwater Ambient Monitoring and Assessment (GAMA) Program
Statewide Basin Assessment Project
Tahoe/Martis Study Unit
Informational Meeting**

Wednesday, June 20th, 2007
1:00 pm – 3:00 pm
South Tahoe Public Utility District
1275 Meadow Crest Drive
South Lake Tahoe, CA 96150

AGENDA

- Introductions; Meeting Overview
- GAMA Program Overview:
State Water Board
- Study Unit Assessment Review:
US Geological Survey
- Wrap-up and Adjourn

Background: The Tahoe/Martis study unit includes the groundwater basins of: Tahoe Valley (North, West, and South), Martis (Truckee) Valley and areas outside of groundwater basins. The GAMA Program was created as a result of groundwater quality concerns by its citizens and leaders. The main objectives of the GAMA Program are to improve statewide ambient groundwater quality monitoring and assessment and to increase the availability of information about groundwater quality to the public. Stewardship of the state's groundwater resources is the shared responsibility of all levels of the government and community. Participation in the GAMA Program is voluntary.

Directions:

See next page for map.

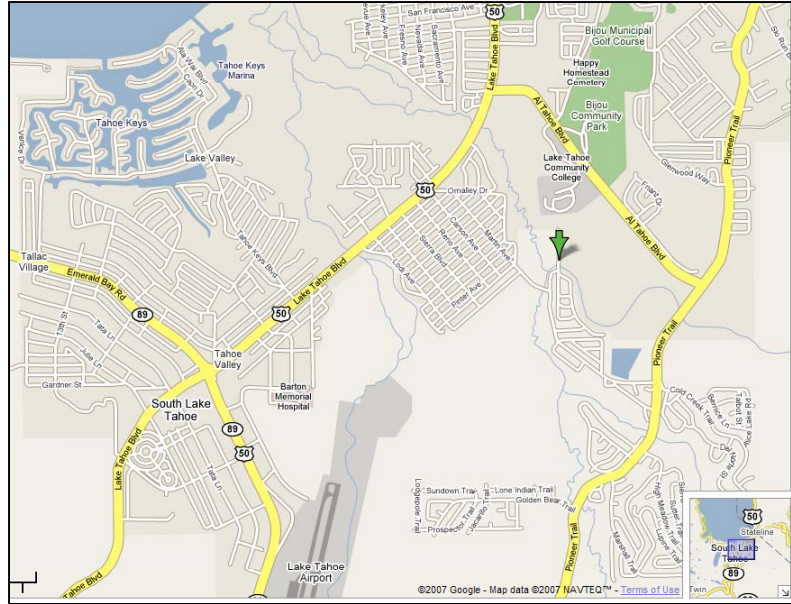

Note:

Meeting date is subject to change. Please confirm your attendance with Julie Saturnio at 916 341-5860 or jsaturnio@waterboards.ca.gov. For more information, please visit www.waterboards.ca.gov/gama or contact John Borkovich (GAMA Program Manager) at jborkovich@waterboards.ca.gov.
